

The Truth Faerie

I want to take this moment Dear,

We know connection
Feel the sincerity about people
An inner world to pull you back from the brink.

With total honesty, I want you to live a full and happy life.
Find peace in yourself and meaning in community;
Strangers and people known to you to know that
the deep world heard this from countless people

In forming identities, a sense felt time desperately encouraged friends,
soul of souls, in the world
They open walls within themselves
They were shown how to identify possible landscapes

Simply, your world is big, and sometimes very beautiful,
and is full of possibilities
multiracial, multiethnic, multilingual, gender expressions

Thriving survivors
State of the spirit
Power
Imagine
Thought

Culture
Experience
Relationship changing
Set things right

I believe I am inevitably good
Queer creative survivor,
who is committed to justice,
who wants a better world for all of us

Community deserved just actions.

I have reached spiritual and emotional growth
I don't live in fear

To be perfectly honest, I care
I believe
I care about the marginalized and our power dynamics

I believe we can
Seek
Stop
Tell
Practice
Educate
Offer a sincere you
“valide”

I want you to know that you can begin your life anew,
I promise to you that I will be your friend
I will help you.
I will treat you kindly, hold your autonomy sacred,
and encourage you to take care

Future coming
Heart singing for the world to come
Triumph
Eyes bright
